If you require anything that is not included in this list please do enquire, we may have what you need on site. Otherwise, please bring things that are not on this list with you.

We operate a 'leave me as you find me' policy. If groups staying on site attempt to leave the site in the same clean state as they found it in then the groups following your own will very much appreciate it.

Other cooking and dining facilities are available in the form of the Sunley Room and the Kitchenette. The Sunley Room is a smaller, but more comfortable, cosy room capable of seating around 40 people, who can be catered for in the Kitchenette.

The Kitchenette and the Sunley Room are separate from the Dining Room and Kitchen, so two different groups can use the two facilities and not have to share equipment or appliances.

Many groups that stay on site get Tesco to deliver their food requirements. Make sure that your food is not delivered before you plan to arrive.

Things that you will need to bring with you include:

- Tea towells
- Aprons
- Cling film and foil
- Black sacks
- Multi-purpose cleanser
- Dish cloths
- Cooking oil
